Chinese Apothecary Chest of 24 Drawers, circa 1820-40

There is something visually mesmerizing about an old apothecary and this unique Chinese cabinet from the 1800's is no exception.

The old brown painted finish has slight red undertones and is accentuated by a hand buffed finish, leaving a warm organic feel to this apothecary.

Each of the 24 drawers has a functioning pull, and they all function.

Interior drawer dimensions are: 10.5" w X 12"d X 4.5"h

Restored, this apothecary console is ready to be used and enjoyed.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this special cabinet.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
