Long Elm Wood Coffee Table, circa 1880

The beauty of this 9' long coffee table is found in the rich patina of the aged elm wood.

Every nick and stain add to the depth and richness found in the beauty of the top, resting on two long stretchers.

Restored, strong and stable. Any scratches, cracks, dings, or age related separation/old repairs are reflective of age and do not detract from the beauty nor function of this large coffee table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
