Pair, Carved Lion Garden Statues Painted White, Denmark circa 1920-40

Pair, lion statues carved in limestone and painted white. Male lions with impressive manes are in sitting position.

The aged patina including distress to finish, wear, old lichen/stains, cracks, peeling paint all reflect generations of sitting outside in the elements resulting in an authentic aged appeal.

Provenance: A Danish manor house on the island of Fyn.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from. We look forward to helping you find the perfect addition to your home or workspace. Thank you for visiting our online store!
