Small White Painted Swedish Bow Front Cabinet, circa 1860

Lovely Swedish country white painted bow front small cabinet standing on fluted tapered feet.

Traditional diamond motif on single panel door which opens to reveal two internal shelves.

Newer professionally applied antique white painted finish gently distressed to fit the age of this charming pine accent piece. Restored, strong and stable. All old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
