

## Antique 19th Century German Biedermeier Single Door Cherry Armoire

Antique Single Door German Biedermeier Armoire circa 1820. The case is pine covered in beautifully figured cherry veneer - book matched door panels surrounded by beveled frames of burl elm. A simple but elegant shield brass key escutcheon is flush mounted to the door. This would make a great coat closet or with shelves added inside, a nice clothes closet.

This item is part of our "unrestored" collection. Our antiques arrive from Europe in warehouse condition. Before shipping or leaving our store, they all go through our professional workshop to assure they are strong, clean, ready for use and with an appropriate finish. Upon restoration, this item will be re-listed with multiple photos including close ups of the finish. You are welcome to call us directly if you would like to learn more about this or other items, we will be happy to assist you further.
