Pair of Antique Italian Arm Chairs with High Relief Carving, circa 1860-1880

This grand pair of antique upholstered Italian oak arm chairs are carved with remarkable details in relief. The back rest is covered with a number of carved motifs from ribbons, flowers and masks to a pair of human figures. The arms end in a lion's paw with vines & flowers carved on the apron and the stretchers below. The rich, caramel colored oak shows through the black finish due to years of use, adding to the wonderful patina.

This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
