Pair of Antique 19th Century French Mahogany Armchairs

Refined and tasteful, this pair of French arm chairs shows off the rich, dark mahogany in the scrolled arms and gently curved legs. The upholstered seat and back provide comfortable seating and are easy to update with modern fabric. This pair is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found them in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
