Pair of Swedish Rococo Style Armchairs, circa 1890

Filled with curves and graceful lines, this pair of rococo style Swedish arm chairs are painted white with carved gold accents. The seats pop out, so they are very easy to re-upholster with a modern fabric. These are beautifully crafted and tight with cabriole legs supported by stretchers and a scrolled back and arms. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
