## Pair of Antique White Gustavian Armchairs from Sweden, circa 1840

Graceful with a romantic air, this pair of Swedish Gustavian period armchairs still maintain their charming original white paint. Notice when looking closely the delicate carved details throughout every aspect of the chairs, including the arms, legs, finials and the decorative ribbon like crown. This pair of arm chairs have been professionally restored and are strong and ready to use. Upholstery shows some wear, but buyer may easily re-upholster and these elegant chairs will be pristine.
