This Swedish white painted bench or settee has a removable seat which makes recovering with your choice of fabric very easy. The existing vintage satin covering complements the gold painted details found on the carved back crown as well as the legs and spindled back and arms. This settee matches side table #20563 and a pair of side chairs (Item #: 20564) that we also have in stock. This bench is being sold in as is, original used condition allowing the buyer to customize as they desire.
