Set of 4 Antique Swedish Country Side Chairs With Original Gray Paint

The original paint is chipped, worn and distressed, yet it is this very "aging" that adds all the charm and charisma to this delightful set of four side chairs. Originally used in a Swedish country farmhouse, these simple chairs add a casual touch to today's busy home. This set is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
