Pair of Antique Swedish Cabinets Nightstands Painted Black

Elegant and refined, this matching pair of Swedish cabinets have been given a black painted finish, with the flowerettes and feet painted gold as a striking contrast. This classic pair may serve as nightstands or in a formal room needing matched end tables to flank and highlight part of the space. The cabinets open to reveal a single shelf in each. This pair is part of our "un-restored" collection and is being sold in as is, used original condition; how we found them in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
