## Vintage Country French Six Light Iron Chandelier with Original Paint

The wonderful painted finish on this French cottage style chandelier is original with accents of gold paint on the leaves and contrasting flower shaped candle cups. There are six arms with a great patina of worn blue/gray paint over the wrought iron revealing its aged charm. The chandelier has been re-wired and the sockets replaced so it is ready to hang and use in a US home. Please take a moment to enlarge the photos and examine the details up close. The chandelier measures 26" high with 25" of chain and canopy for a total height of 51".
