Antique 19th Century Country Romanian Pine Cupboard With Plate Rack

This rustic country piece features cupboard space below with open shelves above. Although the shelves above were originally used as a plate rack, this would make a nice bookshelf.

This item is part of our “un-restored” collection. Our antiques arrive from Europe in warehouse condition. Before shipping or leaving our store, they all go through our professional workshop to assure they are strong, clean, ready for use and with an appropriate finish. Upon restoration, this item will be re-listed with multiple photos including close ups of the finish. You are welcome to call us directly if you would like to learn more about this or other items, we will be happy to assist you further.
