Antique Blue Painted Marble Top Buffet Sideboard Cupboard

This large pine cupboard will also serve as a wonderful serving buffet thanks to the marble top of the lower sideboard which allows hot dishes to be placed there. The upper cabinet is flanked by 3 petite corner shelves allowing for display of special decorative items. Notice the carved elements such as the turned columns, lions used to raise the cabinet and delicate trim within the 4 doors and 2 drawers adding a touch of sophistication to this country sideboard. While this large pine cupboard was built in the mid 1800's the blue paint was added later but shows distressing as well. This item is being sold in as is, original used condition as we found it in Europe. We invite you to contact us with any questions regarding this or other pieces, and hope to assist you further.
