

Large Hand Carved Hungarian Door Surround or Gate Frame

This impressive door surround is covered in a large, hand carved leaf and vine motif. The date of 1963 central over the top center is flanked by two intricately carved hearts, indicating this was likely a wedding anniversary date for the couple of the home.

While age related wear is seen in the cracks along the sides and distress at top and bottom, all this adds to the true vintage character of the piece. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe.
