Antique French 8 light Black Iron Chandelier

This unique antique French wrought iron chandelier has an organic feel with its eight scrolled arms and applied leaf details. The eight ornate arms radiate out from a center globe, each with a single light and candle cover resting on a floral drip pan. The chandelier has a black metal finish giving the light a rustic yet elegant appearance and has just been re-wired for US electricity. Please take a moment to enlarge the photos and examine the details up close.
