Antique Rustic Swedish Work Table With Large Single Drawer

This primitive work table reveals its age in every element, from the 6 planks of wood forming the top to the heavy metal bolts and rods and thick dove-tail joints. It is in rustic, well used worn condition with paint and oil stains reminding one that it was indeed a work table for countless years. The large drawer was created to allow a lock to hang from it, protecting tools or projects stored inside. Please examine the photos to appreciate that this work table is in rustic, original condition for one that appreciated aged objects loaded with character.
