Original Antique Small Carpenter's Workbench

This wonderful old antique carpenters' workbench is unique due to its smaller size, making it user friendly for a variety of uses. The darker color, scratches and dings of the top reveal the years of work done upon it, which adds to the vintage character of the work table. It has two vices with wood handle with iron attachment and a recessed tray where the carpenter would lay his tools. The traditional trestle base allowed it to be assembled and taken down /moved more easily. Workbenches such as this are often used as console or sofa tables today. This workbench is being sold as is, in original condition.

- Price: \$1,450.00
- Year/Circa: 1920
- Origin: Denmark
- Dimensions: 55w x 30.5d x 32h
- Item #: 22099
