Antique Original Gray Painted Side Table with Unique Drawers

Fun and a bit funky, this is a unique side table. The original blue gray paint remains, but is clearly distressed over many years of use adding a genuine vintage feel to the table. The stretcher base creates visual intrigue, while it is the 2 drawers that hold possibilities for the buyer. Notice that the top has a slight "rim" around it. This piece may be used as a side table, unique nightstand, coffee bar, plant stand, as a small craft table or desk, the options are endless. This side table is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
