Antique Original Hand Painted Blue Flat Top Trunk

The festive paint is all original on this delightful trunk. Flower bouquets burst forth in the front panels, vividly accenting the rich blue background. Notice the half column details which add dimension to the panels, and that it is raised up on feet. With the flat top worn to an aged pine patina, this trunk will also make a great coffee table; let us know if you would like it cut down for this purpose. This trunk is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
