Antique Original Painted Flat Top Trunk With Tulips, Dated 1789

Tulips were a favorite flower motif used on painted furniture throughout the European countryside, and are seen beautifully displayed here on the hand-painted trunk from Sweden. The two monograms and date of 1789 indicate it was likely a wedding present to a young couple starting their life together. Notice the incredible wrought iron details, including the corner straps, side handles and latch to allow for a lock. This trunk is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
