Antique Large White Painted Sideboard Buffet from Sweden

It is a challenge to find a long sideboard, so discovering one this size is a special find. The paneled drawers, doors and sides add to the clean lines of the buffet. The newer white paint has been distressed, adding both dimension and character to it. This sideboard may also serve as a unique double sink vanity for a master bathroom. This oak sideboard has been restored, so it is functional and stable, ready to be used and enjoyed.
