## Antique Large White Painted Sideboard Buffet

It is a challenge to find a long sideboard, so discovering one this size is a special find. The paneled drawers, doors and sides add to the clean lines of the buffet. The newer white paint has been distressed, adding both dimension and character to it. This sideboard may also serve as a unique double sink vanity for a master bathroom. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
