## Antique Pine Bench From Sweden circa 1880

It is the warm patina of the aged pine that draws one to this pleasant bench from Sweden's countryside. Notice the simple panels along the back and sides, while gentle curves accent the top and feet. It is small in scale compared to most benches of the era, giving it great versatility throughout your home. This pine bench is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
