Antique Original White Painted Farm Kitchen Table, Sweden

The white paint is all original on this old farm house table from Sweden. The many years of use are revealed in the wear and distress of the white paint, which adds to its true vintage appeal. The top was left natural pine, which has deepened to a darker patina thanks to the constant use it received. Every scratch, ding and stain has added to the overall character of this kitchen table. Due to its size, this table has versatility and may also serve as a desk or craft/sewing table as well. This table is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
