Antique Set of 6 White Painted Dining Chairs from Sweden

Class and style combine in this lovely set of six matching dining chairs from Sweden. They were painted white and given a gold trim which was the "style" in the early 1900's. The curved rococo lines of the back and cabriolet legs add a romantic touch to the set. The seats will be easy to upholster with a modern fabric which will quickly update the look of these 6 side chairs. Seat height is 20."

This set is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Sweden. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
