Exceptional Antique Original Painted Armoire with Blue Figures, Germany dated 1795

Exceptional in every way, this original painted armoire exhibits superb craftsmanship. Dated 1795, each of the panels exhibits rare hand painted landscape scenes that include a couple on bridge with castle in background, a hunting scene, couple on a hillside, and a carriage ride. The beautiful blue motif is accented with a faux painted marble which was a traditional paint style of the period, as seen on the canted sides and lower 2 drawers as well. Notice the long dark iron latch hanging down in the interior photo; it is a latch to keep the left door closed while the right door is open.

This painted armoire is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
