Antique Highly Inlaid Marquetry 2 Door Armoire

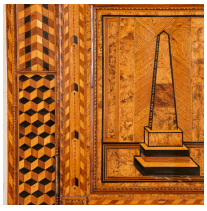

Utterly stunning marquetry inlaid armoire, circa 1800's. The superb craftsmanship seen in this exceptional armoire indicates it was a commissioned piece created by a true master; this is a rare, museum quality find. Examine all the photos to appreciate the complexity of the inlaid patterns, fox, cross, obelisk, delicate outlines, names and more (resting on newer feet). The prior owner indicated this armoire was aquired from a castle in Hungary. This marquetry inlaid armoire is being sold as is, in used condition as we found it in Europe. Small pieces may be missing, nicks and scratches as noted in photos. Interior still has fabric liner which was a traditional element during the era. Please inquire if you have any questions regarding this or other items in our inventory.
