Antique Oil on Board Painting of White and Bay Horses in Turnout, Signed Simon Simonson

This delightful painting portrays a white horse in the foreground and bay horse in the background under a spreading tree in what appears to be a turnout scene (notice the green hay trough to the left). This oil on board is signed and dated Simon Simonson 1884. Simon Simonsen was a Danish painter, 1841-1928. The black enamel and wood frame shows extensive wear and loss particularly around the edges. This painting is being sold in as is condition as we found it in Europe. Please enlarge and examine photos to understand the details.
