Large Antique Original Oil on Canvas Painting of Sailboat Seascape Along Rocky Shoreline, Signed

An old fashioned sail boat or fishing boat is seen off the rocky coastline in this large original oil on canvas painting. The tranquil seascape is accented by billowing white clouds in the blue sky and green dunes lining the shoreline. Craqueluer is seen throughout the entire canvas which is signed in the lower left corner "Frederikson." The black laquer painted wood frame has substantial scratches and loss of paint, note the many areas where the natural wood has been exposed.
