## Antique Carved Oak Bench Loveseat With Painted Gold Gilt Highlights

Antique oak bench or loveseat with upholstered seat with hand-carved details in relief. The back rest is embellished with a number of carved motifs including flowers and other flourishes carved and highlighted with original gold gilt/paint, now distressed over time. The dark oak reveals generations of use including areas of wear/distress(notice the feet), old cracks, dried wormholes etc that all add to the wonderful deep patina. The seat, back and arms may easily be re-upholstered with modern fabric. This bench is strong/solid and being sold in as is, original used condition as we discovered it in Europe. We invite you to contact us with any questions regarding this or other pieces, and hope to assist you further. Seat Height: 20.5 inches
