Vintage Dark Brown Leather Sofa Loveseat from England

Loaded with character, this small sofa (or loveseat) packs a vintage punch with the classic lines and tufted back of a small scale Chesterfield sofa. The dark brown original leather shows typical age related wear seen in small scuffs/scratches and may benefit from a light conditioning. Please take a moment to enlarge the photos and examine the details up close. This vintage sofa is being sold in as is, used condition as we found it in Europe and is ready to use and enjoy. Seat height 17"
