Antique Pine Secretary Bureau from Sweden

This pine drop front secretary is charming in every way, with a soft, satin wax finish that compliments the aged pine and Swedish country styling. The interior 6 drawers and one cubbie w/door are all flush with each other making for a larger writing surface. There are three working drawers below the drop front with brass key escutcheons. Please examine the close up photos to appreciate the details of this delightful bureau including the aged patina of the pine. Any cracks, nicks, scratches etc are age related and do not impact the beauty nor function of this secretary which has been restored and is ready to use and enjoy. A key is included but lock does not function.
