Antique Blue Painted Swedish Cupboard China Cabinet

This charming antique pine cupboard was given a (newer) pale blue painted finish with gray undertones, that has been slightly distressed to compliment the European country style of the display cabinet. The glass doors allow for beautiful display of any collection held within. The scalloped edging adds a touch of grace while the bonnet is a traditional Swedish style element. This cabinet is made in 2 pieces - the top can be separated from the base. Note the close up photos to appreciate the finish. This delightful cupboard/cabinet has been restored and waxed; it is in working condition and ready for use.
