Vintage Long 10' Farm Table With Industrial Iron Base

This remarkable long table is made from one solid pine plank of wood, circa 1860-80. Note the gouges, scratches and marks which indicate it was likely used as a work table which adds to its authentic vintage character. This 9.75" long dining table was given a new cast iron base creating an industrial look as well as adding strength and stability to securely support the long length. The wording in the iron is, "HOBBS MFG CO, WORCESTER MASS." The table top has been restored and finished with a satin wax.
