## Authentic Vintage Set of 3 Travel Trunks With Monograms from Sweden

This authentic set of 3 travel cases is reminiscent of the days of train travel and crossing the Atlantic on an early ocean liner. Two have the monogram of "HA" and one is monogrammed "SB." Each are furnished with a detachable wicker drawer and interior. The exterior fittings and handles are in leather, accenting the heavy weather-proofed (waxed) black canvas exterior. The set has been cleaned and waxed, bringing out the vintage richness of the leather and canvas. The age related distress, wear, scuffs and old stains in addition to the old newspaper clippings and torn travel tag still attached add to the true vintage vibe of these amazing travel trunks.
