## Antique Swedish Gustavian Blue Painted Side Table With Drawer

This delightful country Gustavian table with its low stature would make a great side table or nightstand. The table has an off white/light blue painted finish with blue vein accent, which has been gently distressed and worn bring out years of character (note the lovely wear on the top). The simple tapered legs with vertical carved/fluted details are a traditional Swedish style element. This table is solid and the drawer functions; it is sold in as is condition, as we found it in Europe. Any scratches, marks, signs of wear are expected with age. Please enlarge the photos to appreciate the details up close, particularly the charm of the painted finish.
