Antique Small Rococo Blue Painted Chest of Drawers Nightstand

This stunning small chest of drawers is quite dramatic thanks to the (newer) blue painted finish that is perfectly distressed, accenting the Rococo curves and cabriolet feet. The size makes it adaptable to use as a nightstand, side table or simply small chest of drawers. Any cracks, wear, separation is commensurate with age; in particular cracks in the bottoms of the oak drawers. This chest is restored and ready to use. While one key is included use of the drawer pulls is recommended for ease of use.
