## Antique Narra Wood Spanish Colonial Dining Table

This handsome table reveals its Spanish Colonial style in the turned legs, trestle stretchers, rounded ends and carved feet. It is the beautiful narra wood from the Philippines that draws one's attention to the dark patina and smooth, worn finish. Note the knots, knicks and even old inlaid repair that reflect generations of use adding to the character of this dining table. The Philippines were a Spanish colony for over 300 years, so this is a wonderful example of European/Spanish style crafted from narra, a stunning hardwood. This dining table is strong, stable and ready for daily use. Please take a moment to enlarge the photos and examine the details up close.
