## Antique Blue Painted Rococo Chest of Drawers or Nightstand from Denmark

The allure of this striking oak chest of drawers is due to the (newer) blue painted finish that is perfectly distressed, accenting the Rococo curves and cabriolet feet. Please examine photos to appreciate the beautiful layered painted finish, perfectly distressed to reveal the natural oak below. Any cracks, wear, separation is commensurate with age including typical aged separation in the bottoms of the oak drawers. This chest has been restored; case is sturdy/strong, drawers function, etc.
