Antique Pair of Original White Painted Swedish Gustavian Side Chairs

Charming pair of Swedish gustavian chairs. Note the traditional carving and fluted legs and distressed white paint that has come through generations of use, softening the look which compliments the style and grace of this pair. The yellow checked upholstery adds a country appeal but they can easily be re-upholstered by the buyer. Please enlarge photos to appreciate the finish and carved details. These chairs have been restored and are stable, ready to use and enjoy. Seat Height: 17"
