Vintage Leather Sofa and Two Club Chairs, Set of 3 from Denmark

To find an original vintage leather sofa is a great find on its own, but to get the complete set with pair of club chairs included makes this a great find that does not come along often. The worn vintage leather has a trimmed rolled back and arms. Leather is in used, vintage condition and shows areas with separation of seams, missing button covers, some fading (especially the backs) and will likely benefit from a leather conditioner. Undersides show wear typical of age as well.

Specific dimensions are:

Sofa: 76"w x 35"d x 33"h - seat height 18"

Chair: 34.25"w x 35"d x 33"h - seat height 18"

This set of 3 vintage leather sofa and chairs is part of our un-restored collection and is being sold in as is, used original condition. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
