Vintage Brown Leather Chesterfield Sofa and Pair of Chesterfield Club Chairs, England 1940

To find an original vintage leather Chesterfield sofa in good condition today is a great find on its own, but to get the complete set with pair of club chairs included makes this a tremendous find that does not come along often. The brown vintage leather is accented with the traditional tufted Chesterfield back, heavily rolled arms and nail head accents that identify these handsome chairs and sofa. The leather is in used, vintage condition showing some wear that will benefit from leather conditioner, such as scratches, scuffs, crackles, etc. The leather and buttons are tight while the undersides show wear typical of age. The chair seats are a lighter color due to use; sofa shows less wear. Specific dimensions are:
Sofa: 75" x 32" x 29" SH 16"
Chairs: 44" x 34" x 30 SH 16"
