18th Century Antique French Bleached Oak Large Chest of 3-Drawers

This handsome large French oak chest of drawers has been given new life with a bleached finish, lightening the dark oak and bringing out the lovely details of the paneled drawers and cabriolet feet. Notice the eye-catching unique grain revealed particularly in the top two drawer fronts and curvaceous lower skirt. Minor age-related separation and stains along the top as seen in photos. This traditional French oak chest of 3 drawers has been restored, drawers function, it is strong, stable and ready to place and be used.
