## Antique Dark Oak Refectory Library Table With Decoratively Carved Skirt from Sweden

Heavy turned legs with a trestle base create the great lines in this solid oak refectory or library table from France. The decorative hand-carved skirt adds depth and drama as well. Examine the close-up photos to appreciate the dark patina of the oak, grown rich through years of use. Along the top you will see old cracks, minor gouges, discoloration/lighter areas all adding to its character while revealing the generations of use this table received. This long console is just under 8' long and is strong, stable and ready to be used and enjoyed.
