## Set of 6 Antique Early 20th Century Swedish Rococo White Painted Dining Chairs

Class and style combine in this lovely matching set of 4 side chairs and 2 arm chairs carved in the Rococo style. The painted white finish shows distress revealing generations of use which creates a nice contrast with the hardwood beneath while accentuating the curvaceous lines and carved details. While the removable padded cushions show staining, they are easily re-upholstered upon buyers discretion. This set of chairs is strong, stable and ready to be used and enjoyed. Any nicks, scratches, cracks/separation are age-related and do not impact the function nor beauty of the set. Please take a moment to enlarge the photos and examine the details up close. Seat height: 17 in
