Late 19th Century Antique Original Blue Painted Chest of Drawers from Sweden

The vibrant colors are all original on this blue painted antique chest of 3 drawers. The floral embellishments of tulips and hearts were traditional elements of Swedish country painting. The whimsical flowers and bright colors create a cheerful feel in furniture pieces of the period including this chest. The drawers function easily with two wood pulls each. This pine dresser has been restored while the wax finish adds a soft luster to the piece. Please take a moment to enlarge the photos and examine the painted details up close. Any scratches, stains, nicks or signs of wear are commensurate with age and do not detract from the function nor appeal of this delightful chest.
