Early 19th Century Original Folk Art Painted Tall Cabinet Secretary

This highly unusual secretary is a special find. The remarkable folk art painted finish is all original, with brick red, salmon, yellow, blue and green all used to create the delightful flourishes. The interior desk is painted green and holds 8 drawers and the drop down desk top. Please enlarge photos to appreciate the craftsmanship and paint technique used to create this special cabinet. The upper cabinet features open shelving behind 3 narrow paneled doors. The 2 cabinet doors have a single interior shelf. This entire folk art secretary cabinet has been restored and waxed so it is strong, stable and ready to be used. Any nicks, scratches, dings, signs of wear and distress are all expected age related and do not detract from the function nor beauty of this exceptional piece.
