Early 19th Century Rustic Original Blue Painted Narrow Cabinet Sideboard

While you can frequently still find antique pine cabinets, it is harder to find a sideboard with original blue/gray paint such as this one. This cabinet is a charming representation of rustic Swedish country craftsmanship, gently distressed over generations of use to reveal the natural wood below. Unique to this sideboard is its depth, at only 15" it will serve well in a narrow space. The original paint is worn and distressed with age, minor age related cracks/separations do not impair the function nor beauty of this delightful painted sideboard. This antique cabinet has been professionally restored, is strong and stable, ready to be used and enjoyed.
